Osceola, Nebraska June 23, 2020

Pursuant to notice published in the June 18th, 2020 issue of the Polk County News, the Polk County Board of Equalization convened at 9:00 a.m. with all members present. Minutes of the June 9th, 2020 meeting of the Polk County Board of Equalization were read and approved. Chairman Westring informed those in attendance that a current copy of the Open Meetings Act is posted in the meeting room.

Assessor Cermak, who participated in the meeting via Zoom, presented another report of overvalued, undervalued or omitted real property for assessment year 2020. After the Board's review, a motion was made by Boss to approve the report as presented. The motion was seconded by Westring and the roll call vote was Boss, aye; Westring, aye; Boruch, aye. The property owners of all of the parcels on the report will be mailed a copy of their valuation change. The majority of the corrections were needed to correct a soil conversion error for grassland.

The Board was available to hear concerns on the assessed valuation of real property in the county. No other interested persons appeared.

There being no further business, the Board of Equalization adjourned at 9:30 a.m.
