Commissioner Boruch informed the other members of the Board that he was approached by the City of Osceola regarding drilling a test well on the county owned property north of the hospital. The Board felt that this location was far enough away from the other test wells drilled by the City to get favorable test results.

At 9:40 a.m., a motion was made by Boruch to go into executive session to discuss an application for burial assistance. The motion was seconded by Boss and the roll call vote was Boruch, aye; Boss, aye; Westring, aye. Also present were the applicant's next of kin and the County Clerk. At 9:45 a.m., a motion was made by Boruch to come out of executive session. The motion was seconded by Boss and all members voted in the affirmative. Chairman Westring stated for the record that no formal action was taken and that only burial assistance matters were discussed. A motion was made by Boss to approve the request for burial assistance. The motion was seconded by Westring and the roll call vote was Boss, aye; Westring, aye; Boruch, aye.

Crystal Gay met with the Board to ask for approval for a special designated permit to have alcohol at a function to be held on the Polk County Fairgrounds. A motion was made by Boss to allow American Legion Post #91 to sell and serve alcohol on February 14, 2026 in the Ag Pavilion on the Polk County Fairgrounds. The motion was seconded by Westring and the roll call vote was Boss, aye; Westring, aye; Boruch, aye.

A resolution authorizing the installation of stop signs at all rural railroad crossings was discussed. Highway Supt. Theis reported that NIRMA was having reservations about Polk County installing these stop signs without a traffic study. Brian McDonald with JEO was also present for the discussion and will review the Nebraska traffic safety manual to determine appropriate regulations concerning installing traffic control signs at railroad crossings. The Board tabled action on the resolution.

Brian McDonald with JEO reviewed the plans for the replacement bridge over the north branch of the Blue River on G Road. The grade will be raised approximately two feet over the existing bridge and the temporary and permanent easements have been secured for the project. A Polk County Rural Public Power District power pole may need to be relocated but the relocation would only affect one customer. The presence of long-eared bats will restrict when the existing bridge can be removed as the demolition must occur before April 1<sup>st</sup> or after October 31<sup>st</sup>. A motion was made by Boruch to move forward with construction of the bridge and authorize the advertising of bids for the project. The motion was seconded by Westring and the roll call vote was Boruch, aye; Westring, aye; Boss, aye.

Highway Supt. Theis also updated the Board on the work being done in the Road Dept. While Brian McDonald is here today, they will look at the 127<sup>th</sup> and J Road intersection for the possible addition of traffic control devices as well an intersection on the Butler County line. The Road Dept's semi tractor is experiencing mechanical issues again. Before subscribing, the Board would like an on sight demonstration of Caterpillar's Vision Link program.

Weed Supt. Carlson updated the Board on the activities of the Weed Dept. A motion was made by Boss authorizing the Chairman to sign the Activity Report, the Noxious Weed Infestation Report, the Noxious Weed Control Plan, the Budget Report, and the Nebraska Invasive Plant Watch List Infestation Report as presented by Weed Supt. Carlson. The motion was seconded by Boruch and the roll call vote was Boss, aye; Boruch, aye; Westring, aye. The total number of infested acres in the county decreased by approximately 32 acres. While decreases were reported in the number of infested acres of musk thistle and leafy spurge, increases were reported in plumeless thistle, Canada thistle, purple loosestrife, and phragmites infestations.

There being no further business, the Board adjourned at 11:55 a.m. to meet again on January 27<sup>th</sup> and February 3<sup>rd</sup>, 2026. An agenda of the meetings will be available at the office of the County Clerk.
