The following fees for the month of February were earned by the various offices and submitted to the County Treasurer. County Treasurer receipts show fees earned were credited to the appropriate county funds.

Jodie L. Robert, Clerk of Dist. Court

\$110.00

Members of the Polk County Veterans Service Committee, Veterans Service Officer Toline, Assistant VSO Toline and area veterans met with the Board to provide an update on the services provided through the Polk County Veterans Service Office. Veterans expressed their appreciation for the work being done by the staff to assist them in applying for the benefits due them in return for their service to our country. Due to the increase in the number of visits to the office (over 100 in February) and the length of time required to research and process applications for benefits, the Committee is requesting that the staff be allowed to add 1 day per week for administrative work. The office would continue to be open for appointments three days per week. The Committee also requested an increase in the wage for the assistant because she has now obtained all of the accreditations required to process claims and applications for veterans' services. These accreditations are the same as what the VSO has obtained as well. The Board verbally approved the additional hours and action will be taken on the wage increase at the Board's next regular meeting.

Rachel Pensick, with the Columbus and Platte County Joint Communication Center, met with the Board to discuss the communication center's policies regarding the dispatching of emergency personnel. When a call comes in, the policy is to dispatch the emergency personnel based on the fire and rescue district where the emergency is, not the wishes of the caller. Shelby Fire Chief Eller noted that the southern areas of the Duncan Fire District that are located in Polk County could be served in a more timely manner by the Shelby fire department and ambulance crew. Chief Eller stated he is willing to discuss an automatic mutual aid agreement with the Duncan fire chief to allow the communications center to dispatch both departments should an emergency call come in from the area the two departments define in the agreement.

Highway Supt. Theis updated the Board on the work being done in the Road Dept. Specs for a new motor grader have been sent to prospective bidders with the bids to be opened on April 1st. Following the Central District County Officials meeting Thursday morning in Kearney, there will be an additional session in the afternoon with NDOT to discuss funding sources available. Supt. Theis plans to meet with Foreman Ericson this afternoon to discuss drainage issues along 135th Road northeast of Shelby. Bids for the Osceola North and Shelby North overlay projects will be opened at the Board's special meeting to be held on Monday, March 24th at 11:00 a.m.

There being no further business, the Board adjourned at 11:40 a.m. to meet again on March 24th, 25th and April 1st, 2025. An agenda of the meetings will be available at the office of the County Clerk.
